FP Home and School Association meeting

Welcome to all members!!!

Welcome to all of our new and existing families to Frank Panabaker Home and School Association.

Our Executive Team:

Shannon Holmes Shedden - President

Alaina Evans - Vice President

Vanessa Blake - Treasurer

Sarah Rietkoetter - Secretary

John Scime - Membership Coordinator

We would like to remind all members that this is an open minded space where everyone's thoughts and opinions are welcome and will be considered as a group.

Our Home and School Association focus is "Best start for each student" focus. As well working together with the community to make our home and School families join as one. Keeping that in mind we plan events and fundraisers to be able to do fun things for the kids and community as well as give the students in the school the tools to be able to succeed and do well.

We work with the School Council but are two separate groups. School Council is a government mandated group run by the school principal and the School Principal oversees the decisions that are brought forth.

The Home and School Association is an non-profit Association that was started 104 years ago.

We are run by the parents of the school with each other and make decisions as a group as to what we will get behind and show our support.
