

Did you know buying NEW books can have a negative impact on the environment?

GET READING AND GO GREEN WITH OUR

FAMILY LITERACY DAY BOOK SWAP

Give your old books new life by bringing in an appropriately aged book to swap with a classmate on **January 27th**

Please bring in a 2nd book and this will be **donated to the class library or a school in need!**

Additional ways to be a "Greener Reader":

- Borrow books from the school and public library
- Share books with friends and family
- Re-purpose old books and magazines into arts and crafts
- Ensure paper products go in your blue bin
