

The Panabaker Chronicle

Happy New Year and welcome to the beginning of the 2025 school year!

We hope you all had an enjoyable holiday season.

As the new year begins, please remember that at Frank Panabaker School, students are always front and center and every decision made will have your child's best interest in mind!

As we begin the new year, We want to ensure that your child;

- Feels safe and happy to be part of Frank Panabaker;
- Is part of a productive learning environment that provides appropriate innovative learning experiences; and
- Works toward their academic learning potential.

We are eager to continue to work together to continue to build a positive relationship between all staff, students and parents to make an amazing school year.

Best wishes for a healthy, safe and happy New Year!

D. Fede & S. Carter

Upcoming EVENTS

January 7 – Pizza Day

January 14 – Pizza Day

January 16 – Grade 9 Option Sheet Night at Ancaster High @ 6PM (English Stream)

January 16 – Grade 9 Option Sheet Night at Sherwood between 5PM-7PM (French Immersion)

January 21 – Pizza Day

January 22 – School Council Meeting @ 6PM

January 28 – Pizza Day

January 24 – P.A. Day (No School)

January 27 – Family Literacy Day

January 29 – Lockdown Drill

February 1 – Black History Month

Block one for Pizza Days ends on Feb 4th!

Please look on school cash on line next week for the next block of pizza days that will become available.

MEDICAL ALERT

Just a reminder that Frank Panabaker is a NUT FREE School. We have both staff and students with severe life-threatening allergies to peanuts and tree nuts. Do not send any nut products to school with your child. Thank you!

Dressing for the Weather

With winter weather upon us, please make sure students are dressed appropriately for outdoor activities. On days where, cold weather and snow are in the forecast, boots, mittens or gloves, a warm hat and a winter jacket should be worn. Snow pants may also be needed for children who will play in the snow.

Bus Information

The HWDSB Transportation service is responsible for the carriers that bring our students to and from school. At times, school busses may run late and the delay time could take up to 30 minutes. We strongly encourage all families to check the status of their child's bus on a daily basis. This could be done using the following link:
<https://www.hamiltonschoolbus.ca/>

Here you will find a posting of all the delays.

You can also phone transportation directly at (905) 523-2318 or 1-800-691-6402 with any questions you may have, as our school office closes at 3:15 PM.

No Pictures Please

To respect the safety and confidentiality of all of our students, we kindly ask that parents and care givers do not take pictures of students while other students are in the vicinity. We have many students who do not have consent to have their picture taken.

ATTENTION!! Parent Parking / Drop Off / Pick Up

Just a friendly reminder that when you are dropping off or picking up your child at dismissal, **please do not block the bus loading zone.** We want to ensure the safety of all our students as they are being transported to and from Frank Panabaker School.

In addition, when dropping off or picking up your child, parents please be aware of children opening car doors to the parking lot access. **As a safety reminder, students should enter and exit cars from the sidewalk and never from the parking lot.** We strongly encourage parents to have these safety discussions at home with their children so that we can ensure that all our students remain safe.

Secure School Information

Every year, school communities are required to engage in a number of Secure Schools drills to ensure all students and staff understand how to participate in the case of an emergency situation. These drills include: 6 fire drills (3 in the fall, 3 in the spring), 1 hold and secure drill, 1 shelter in place drill, 2 lockdown drills and 1 bomb threat drill.

The dates of future drills will be posted on the school website at least one day prior to our scheduled drill. If weather conditions do not allow for a safe drill, the drill would be pushed to the next available school day.

Please do not be alarmed if your child tells you that the alarm went off at school. This is all part of our Emergency Plan of Action.

To learn more about HWDSB's approach to secure schools, please go to:

<https://www.hwdsb.on.ca/secondary/supports/secure-schools/>

Family Literacy Day takes place every January 27th to raise awareness about the importance of reading and engaging in other literacy-related activities as a family. Since 1999, thousands of schools, libraries, literacy organizations and other community groups have taken part in the initiative.

As a school, we will be engaged in various literacy activities on this day! More information may come from your child's classroom teacher.

Here are some activities that you can do at home if you would like:

- Build a fort together, turn out the lights, and read a book using a flashlight.
- Choose or look up a recipe to make.
- Play a board or card game.
- Go for a walk or drive and read the names you see on the signs.
- How many words can you write using only the letters in Frank Panabaker.

Important Reminders About School Hours and Dismissal Procedures

We would like to take a moment to remind parents of the importance of timely attendance at school. Our instructional day runs from 8:15 AM to 2:35 PM, and it is crucial that students arrive on time so they do not miss important lessons and instructions. The morning routines are key, as this is when essential information about the day is shared. Starting the day on time helps all students to feel prepared and engaged.

Additionally, please note that dismissal time is at 2:35 PM. **For safety reasons, we kindly ask that parents refrain from picking up children from the playground earlier than 2:35 PM, unless they have signed their child out at the office.** This ensures that all students are accounted for and that our dismissal process runs smoothly.

Thank you for your understanding and cooperation in helping us maintain a safe and effective learning environment. We appreciate your support in making sure our students can fully benefit from the instructional time each day.

Winter Concert!

In December we had our annual Winter Concert at Frank Panabaker! We want to thank all of our families that took the time out of their busy schedule to come and see the fantastic presentations that our students put on! The excitement was in the air as the winter break was soon approaching! A special thank you to Mr. Little and Mrs. Darlington for all their hard work in organizing this amazing event!

Winter Wonderland

In appreciation of our student's art work!

Severe Weather at HWDSB

During severe winter weather, the difficult decision to remain open or to close is always made with the safety and security of our students and staff in mind.

Here are some guidelines to remember:

Weather Cancellations

When bad weather is expected, Hamilton-Wentworth Student Transportation Services (HWSTS) carriers check weather reports, road conditions and road clearing, starting as early as 4 a.m.

6:00 A.M.

Based on this information, the Director of Education makes the decision in conjunction with Hamilton-Wentworth Catholic District School Board.

HWDSB will announce the cancellation of school and board operations by 6 a.m. based on the best information at the time. We share this announcement on the HWDSB website, HWDSB's Twitter account and on the HWSTS website. We also contact local media outlets including CHCH TV, CHML and the Hamilton Spectator.

HWDSB makes a decisions by 6 a.m.

School and Administrative Building Closures

School boards have varied policies on cancellations. **The HWDSB Rule is: Severe weather + Bus cancellation = Schools and Administrative Buildings are closed.** When HWDSB cancels busing due to inclement weather, we have deemed the roads unsafe and this triggers the closure of schools and administrative buildings.

Severe Weather

Extreme Weather - In extreme cold, buses may not start or run as expected and HWDSB may need to cancel transportation. But this does not automatically mean that schools will close. The Director (or designate) has discretion to keep schools open when busing is cancelled due to extreme cold.

Closing a school and administrative buildings is a tough decision – and some families may disagree with HWDSB's call. Families can always make the choice they feel is best when it comes to sending their child to school.

HWDSB

Snow-clearing at HWDSB Schools

A responsibility shared by
Board staff, contractors
and the City of Hamilton

HWDSB Staff

Clear, salt and/or sand...

- walkways from the city sidewalk to the school
- school steps and portable steps
- walkways to the portables
- ramps to schools and portables
- area outside entrances and Fire Exit Doors
- Fire Exit stairs & ramps

HWDSB Contractors

After 5cm+ of snow, will...

- Plow parking lots and sidewalks when HWDSB Facilities staff deem it necessary
- Salt and sand the parking lot before school starts
- If required, Head Caretakers may also salt or sand parts of the parking lot

City of Hamilton

Responsible for clearing...

- Snow and ice from sidewalks directly in front of schools, a top priority for the City.
- **Note:** It may take up to 24 hours after a snowfall for sidewalks to be cleared. Report a sidewalk fronting a school in need of clearing at **905-546-CITY (2489)**

What about playgrounds?

Contractors will plow or clear up to half of the asphalt play area at schools. Head Caretakers also inspect playgrounds and spot sand and/or salt areas made slippery by changing temperatures.

Students, take extra caution when walking or playing on school property that may be slippery. Principals concerned about weather or playground conditions may hold indoor recesses and lunch/nutrition breaks.

Benefits of outdoor play

Time spent outdoors is an integral part of the school day. There are great benefits when children experience **fresh air, exercise and time spent time outside**. Outdoor play is also a break from the structure of the classroom.

Preparing for the outdoors

It's important that children come to school **prepared for the cold**. This means boots, mittens/gloves, hats and even extra mittens and socks in case they are needed.

When is it too cold for outdoor play?

Principals decide whether to send students outside for recess. HWDSB asks Principals to follow the City of Hamilton guideline that we stay inside when it's at or **below -15C, or -20C with wind chill**.
