

## Did you know:

Millions of Halloween candy wrappers are needlessly sent to a landfill every year?

We can help change this!
We will be collecting candy wrappers
to be sent away to be upcycled into
new products.

From Now until Dec. 1st please send wrappers in a sealed bag to the school.

. . . . . . . . . . . . . . . . .

Please ask friends and family to save their wrappers as well!
