Dear Parents and Guardians,

As of Thursday March 1<sup>st</sup>, 2018 we are pleased to be implementing **Synrevoice** as part of our **Safe Arrival Check** at Gatestone Elementary. This is an automated system that will call your child's main contact number when they are marked absent with no reason given. We ask you to continue to call in your child's absences at **(905) 573-7731** and leave a message with our answering service 24hrs a day. Please try to call in before 9:30 as Synrevoice will start calling out for all the unexplained absences after.

The system will only call the main contact number if you have **not** called the school with a reason for your child's absence. If you have changed your number recently and have not submitted it to the office, please provide the new number that you can be best reached at in the space below. If your main contact number is your home number and you can be best reached at another number (ex. cell phone) please provide it below and the Office Administrator will update your child's file. Synrevoice will only call out to the one main number.

Thanks in advance,

M. Castellani

Principal
