Important Updates

Meet the Teacher

Meet the Teacher will take place October 4th 5:00-7:00pm. Burger Priest will be selling burgers, fries, drinks, veggie selection during this time. Cash, debit or credit accepted. The menu is available on our website. Looking forward to seeing everyone out for this event.

Terry Fox Run Update

Hopefully the weather will cooperate, and our annual Terry Fox Run will go as planned. The run is scheduled to take place this Friday at Eringate Park during periods 3 and 4. Students are asked to please return any pledge forms, and donations collected, to their classroom teachers as soon as possible. Donations of \$20.00 or more will receive a tax receipt, and any cheques should be made out to The Terry Fox Foundation. Once again we will be selling raffle tickets so that 10 lucky students will get a chance to throw a pie in the face of one of our staff members. Tickets will be sold at Meet the

Teacher, 50 cents each or 3 for a dollar. Our goal this year is \$3000.00, and with your support we are confident we can reach it. Thank you!

Please make sure the walking permission form has been returned for your child/children.

Mr. MacNab

School Council

School Council met on Thursday to discuss upcoming school fundraisers. For parents interested in being a voting member on council, please fill the HWDSB School Council Nomination form out. You can find this form under the Parent Council page on Gatestone's website.

McMillan Fundraiser will occur again this year and will begin some time in November. Stay tuned for more information. The annual Bazaar (Craft Show) will also take place on Friday, November 30th during the day and evening.

A special thank you to our School Council for purchasing our water stations last year. Water stations are now up and running in the school for students. Please send your child with a water bottle to school so they can refill throughout the day.

School Parking Entry/Dismissal

Just a reminder to families to please limit the amount of driving in our school parking lot or Kiss n' Drop area. We encourage families to walk with their children to and from school rather than drive. If your child is eligible for busing, it is recommended your child arrive and leave on the bus to limit congestion in the parking lot and school entrance. Please do not park your car in the Kiss n' Drop. Staff are able to assist walking your child to the appropriate playground.

We appreciate your support in helping arrival and dismissal be safe for all.
