Grade 8 Students and Families – Special Announcement from Saltfleet Secondary School

Saltfleet will be holding an Open House on Nov.27th from 6:30-8pm. This event will begin in the cafeteria at 6:30pm. Afterwards, parents and students will be able to visit classrooms and participate in activities, talk to teachers, learn about the different clubs, sports and the Specialized High School Major programs and Co-op opportunities that Saltfleet has to offer. We are very excited about this venue. It will allow more teachers to participate to address all subjects as well as highlight clubs, sports and specialized programs. Last year's Open House was very well received and we hope to build on that event this year. This event will replace the Option Day which was originally scheduled on Nov.14th.

Throughout the year we will continue with other transition events with our athletic and music departments. Some of these events include the music concerts on December 17 and 18 at Saltfleet and the gr. 8 music workshops at the end of January. Our technology teachers would also like to visit your schools to showcase technological studies opportunities to your students through engaging activities.

A parent information session regarding the option sheet, courses and graduation requirements will be held on January 22nd at 6:30pm in the cafeteria. This year, option sheets will be distributed to the schools in February.

Photo Day

If you missed photo day on October 12th, our re-take photo day is November 8th.

Halloween – October 31st

On October 31st students may participate in costumes from Grades K-8. Costumes that portray violent characters and props such as swords, knives and guns are not permitted. More details will follow around our celebrations and community parade for this date. Stay tuned...

Student of the Month - September

Teachers will be communicating with families our **Student of the Month** recipients. Students are recognized for many different reasons (e.g., work habits, respectful peer/teacher interactions, initiative, support around the school, kindness to others, showing resilience, positive mindset etc.)

Congratulations to the following students!

Alex K, Ariyanna H, Cody B, Ema F, Emily C, Emma V, Evan C, Freddie R, Georgia D, Hannah C, Idomeneus M, Iris C, Landen H, Marija S, Matei P, Maxwell L, Mila P, Nicholas P, Owen H, Owen M J, Riley M, Samantha S, Sofia V, Talha H, Tyler J, Victoria A
