### **Entry/Dismissal Congestion in Front Driveway**

On Thursday, Dec. 13 a representative from School Travel Planning will be visiting Gatestone at 8:30AM to observe arrival of students in the morning. The School Travel Plan Initiative at Gatestone will focus on working with families to limit vehicle congestion in our school zone. Through surveys, messaging, and events, we will encourage families to walk/bike with their children to school and for students assigned to a bus to use this assigned transportation. Our representatives will be observing air quality and automobile congestion during the morning arrival. Parents/guardians interested in joining us for this meeting/walk about, please connect with Mrs. Reilly-Scott at the school prior to the Dec. 13<sup>th</sup> visit.
