Ultimate Frisbee

Congratulations to our Gatestone Ultimate Frisbee Teams! On Friday, both of our teams participated in a tournament at Saltfleet Secondary, with one team placing 4th and one team placing 1st overall. Awesome effort! Mr. Lamarre and Ms. Pauls thank the students for their hard work and positive spirit.

Do you have concerns about your child's speech and language development?

Early Words 1ers mots

HAMILTON PRESCHOOL SPEECH & LANGUAGE SERVICE
SERVICE D'ORTHOPHONIE DE HAMILTON POUR LES ENFANTS D'ÂGE PRÉSCOLAIRE

Early Words accepts speech and language referrals for children **BEFORE** they enter Junior Kindergarten.

The deadline is June 15th.

SHOULD I REFER MY CHILD?

Understanding of words, directions and questions

Does your child:

- Look "lost" when you give directions?
- Have trouble following daily routines?
- Have trouble responding to questions?

Size of vocabulary, use of grammar and length of sentences

Does your child:

- Use short, incomplete sentences and/or make grammatical errors? (e.g., "Me go play park.")
- Only use a small number of words?

Pronunciation of speech sounds

Does your child:

- Have speech that is NOT understood by most people outside of the family?
- Make errors on one or more sounds? (e.g., b, t, m, k, g, f)

Note: Sound errors involving "l", "r" and "th" sounds are common at this age and are not a concern.

Other signs:

- Your child does NOT look at you when called by name.
- Your child is very reluctant to speak.
- Your child does NOT seem interested in playing with other children.
- Your child stutters (i.e., repeat sounds or words four times or more).
- Your child has a hoarse voice most of the time.
- You have concerns about your child's communication.

If you checked any of the above boxes, please call (905) 381-2828, ext. 224 or apply online at www.ascy.ca/early-words-referral-form before June 15 to refer your child to Early Words.

A doctor's referral is NOT required.
