We are asking families to bring non-perishable items to support Hamilton Food Share. Any donation would be much appreciated!

See Everyone Thursday!

Caring for our Environment

Students celebrated “Caring for Our Environment” on Monday, April 29. Students engaged in a variety of activities that reminded them of ways to care for the Earth, participated in a school wide litterless lunch, and supported clean up around the school! Well done Gatestone!

Junior Boys AA Division Champs!

Message from Mr. MacNab & Mrs. Nash

Congratulations to the Junior Boys Basketball team for their win in the City Championship this year. In a very exciting game, the team beat a talented Mountain View team 44-35. The team would like to thank all the staff, students, friends and family who came out to cheer them on. It was much appreciated. They would also like to thank Mr. Lane, Bojana, Nina, Aleksia, Katie, and Rosslyn from the Senior Girls' team for all their help throughout the season. Mrs. Nash and Mr. Macnab are extremely proud of the boys. They worked hard, never gave up, and really came together as a team. Great season gentlemen!
