### **Upcoming Dates:**

*September 26, 2019 5:00PM – Meet the Teacher*

*September 30, 2019 6:30PM – School Council Meeting*

### **Class Placements and School Organization**

Information about School Organization and Class Placements was shared in the Principal Report on the School Council Page of our Website.

Class placements will be communicated to families with Term 2 Report Cards on Wednesday, June 26. Families were provided with the opportunity to share their thoughts and input in regards to the type of learning environment they feel would best meet the specific needs of their child. This input was due in May and will be considered during our class building. **The office will not be accepting any other requests or changes to class placements.**

The practice of selecting a specific teacher is contrary to all that we believe in terms of respecting all members of the Gatestone community and learning to work together. With our current focus on grade team planning and implementation of our instructional program, all classes of the same grade will have a similar curriculum focus and delivery. Given that the curriculum will be aligned across the classes in the same grade, parents can be assured that the instructional program their child receives will be of equal caliber across the grade team. While we know that parents sometimes have a preference for a specific teacher, we believe it is important for our students to learn how to cooperate and function in an environment with a wide range of personalities and educational philosophies, which is a life-long skill that is imperative to meeting with success in any group or workplace.
