

Community Week at a Glance

Happy Summer! See everyone September 3, 2019.

Seek to understand. Choose to care.

Classroom Placements

Class placements were communicated to families with Term 2 Report Cards on Wednesday, June 26. Families were provided with the opportunity to share their thoughts and input in regards to the type of learning environment they feel would best meet the specific needs of their child in the spring. At this time **the office will no longer be accepting any other requests or changes to class placements. Students will start in their assigned classes September 3rd.** We believe it is important for our students to learn how to cooperate and function in an environment with a wide range of personalities and educational philosophies, which is a life-long skill that is imperative to meeting with success in any group or workplace.

Happy Summer

Students will return to school on September 3rd. Our Gatestone staff wishes our families all the best during the summer months. We are looking forward to seeing everyone again in September.
