Graduates of 2021

Dear Gatestone Families,

Our virtual graduation ceremony will be shared with families during the evening of June 21st. We will share this link around 5PM for families to view. The link will be posted on our HWDSB TV for a week to view. Students and parents are not permitted to upload the link on any social media platforms.

Grade 8 students and their household are able to attend Gatestone on June 22 at their scheduled time during the day to pick up graduation items and have a picture with their family and staff. Students and families entering the property must pass the COVID-19 screener. Each household unit will need to maintain a distance of at least 2m from staff and wear a mask when not having their picture taken. Households are asked not to congregate on the school property. We ask families once they have retrieved all of the necessary items, they must leave the property promptly to adhere to Public Health Measures.

Students and families will be able to retrieve the following items;

- Graduating Lawn Sign
- Class Composite and Grad Certificate
- Awards/Plaques for those students receiving an award
- Picture of student and family members from household at picture station

Scheduled Times

Please adhere to your scheduled time for appropriate physical distancing. Stations will be set up at the front of the school. If there is inclement weather, stations will be set up in our gym. Students and families will enter through the main doors at the front of the school.

If you are unable to make your scheduled time, please contact our main office so you can retrieve items at another time/date. Unfortunately, the picture station is only available on the 22nd of June.

Thank you for your understanding here. We are excited to see our graduates and families, even if it is for a short visit.
