Week at a Glance 2023-2024

October 23rd – October 27th 2023

Parents/Guardians,

We are excited to share that Intramural Volleyball has begun for grade 6, 7 and 8 students.

We encourage our students and families to walk to school. There is no parking at the front of the school, nor is there any parking or stopping permitted in the lane leading into the school. Your cooperation with keeping our school community safe is greatly appreciated.

Have a wonderful weekend!
