We appreciate your support with keeping all Gatestone community members safe. Please do not park or stop in the lane in front of the school. We are finding that cars are double parking and cars are stopping in the middle of the lane resulting in unsafe situations for pedestrians and vehicles. If needed, please park in appropriate spots on the street and have your child/children walk to school.

When possible, we encourage our students to walk to school. Please remind your child/children to use sidewalks in the community and on school property. Students should not be walking through the parking lot. Students who need to cross the street should be using crosswalks. Please speak with your children about the importance of navigating the community safely.

Thank you for your support.
