

Glendale January 2023 Final Exam Schedule

All courses have a final assessment scheduled during our four exam days, Jan 26 – Feb 1, 2023. These final assessments count towards the final 30% of a student's mark in their course. Students are expected to attend on the exam days and their work will count towards their final mark in that course.

Please see the student exam schedule below. All exams are scheduled to start at 8:30 and conclude after 75 minutes at 9:45. Some assessments may run longer as previously arranged by individual teachers. Students must remain in their assessment area for the entire 75 minutes, supervised by their classroom teacher.

Some key overall points of information are:

- All exam periods start at 8:30 am and run until at least 9:45 am (75 minutes) and some exams may be longer (up to 120 minutes)
- Students will be dismissed at the end of their exam period
- All buses run at normal times during exams
- If a student needs to stay after an exam period to wait for their school bus home, students should report to the cafeteria
- There is no cafeteria service during exam days
- Semester 1 report cards will be sent home February 13 by email to both parents and students
