College Applications (through ontariocolleges.ca):

November 1, 2023: Earliest Offer Date

This is the earliest date that colleges may begin to send offers of admission to programs for the upcoming academic year. Offers will continue to be issued until programs are filled or wait-lists are established.

February 1, 2024: Equal Consideration Date

Apply on or before this date in order to receive equal consideration for admission to programs starting the following fall. After this date, colleges consider applicants on a first-come, first-served basis until programs are full.

Note that applications to Highly Competitive Programs must be received by this date in order to be considered.

Applicants are encouraged to complete their applications well before the Equal Consideration Date, as website volumes on the online application are at their highest at this time.

January 15, 2024—The deadline for current Ontario high school students to submit their completed applications to the OUAC.

Note: The OUAC will continue to process applications received after this date and distribute them to the Ontario universities; however, specific university deadlines will apply.
