Course Types and Pathways

Course Types (9-10)	Course Types (11-12)	Pathways
Applied (P)	College (C)	College
Academic (D)	College/University (M)	Apprenticeship
Locally Developed (L)	University (U)	University
Open (O)	Workplace (E)	Work
Destreamed (W)	Open (O)	Community

**ALL PATHWAYS ARE GREAT
PATHWAYS!**

Course Types and Pathways

- Destreamed courses in grade 9 lead to applied or academic courses in grade 10
- Applied courses in grade 10 lead to college course types in grade 11
- Academic courses in grade 10 lead to university or college course types in grade 11
- Locally developed courses in grades 9 & 10 lead to workplace course types in grade 11

Reading Course Codes

Every course in an Ontario Secondary School has a six-character course code with each character identifying the course discipline, grade, course type or pathway, and a school-specific program.

Consider this example: CGG301

The first character identifies the course discipline, which in this example is Canadian and World Studies.

- A = Arts
- B = Business
- C = Canadian and World Studies
- E = English or English as a Second Language (ESL) or English Literacy Development (ELD)
- F = French
- G = Guidance and Career Education
- H = Humanities and Social Sciences
- I = Interdisciplinary Studies or Computer Studies
- L = Classical Studies and International Languages
- M = Mathematics
- N = First Nations, Métis, and Inuit Studies
- P = Physical and Health Education
- S = Science
- T = Technology

Reading Course Codes (cont.)

The fourth character identifies the grade level, which in this example is Grade **11**—CGG**3**01.

- 1 = Grade 9
- 2 = Grade 10
- **3 = Grade 11**
- 4 = Grade 12
- *Note: ESL/ELD courses use the letters A, B, C, D, and E to differentiate courses but are not linked to specific grade levels*

Reading Course Codes (cont.)

The fifth character identifies the course type or pathway, which is **Open** in this example--CGG3**O**1.

- W = Destreamed
- D = Academic
- P = Applied
- L = Locally Developed
- O = Open
- Grade 11 and 12 courses:
 - C = College
 - M = College/University
 - U = University
 - E = Workplace
 - **O = Open**

Course Codes—Glendale Specific 7th characters

- Courses ending in 'A' = ABPA (Audition Based Program of the Arts)
- Courses ending in 'L' or 'S' = ESL (English as a Second Language)
- Courses ending in 'eL' = eLearning
- For example:
 - ADA3M1 = drama
 - ADA3M1A = drama for ABPA major
 - CHC2P1 = history
 - CHC2P1S = history for ESL students (English as a Second Language)
 - ENG2D1 = English
 - ENG2D1eL = English eLearning

eLearning Course Graduation Requirement

Key Details--The following is a synopsis of key components of PPM 167:

- All students who entered secondary school beginning in September 2020 must earn a minimum of two online learning credits as part of the requirements for an Ontario Secondary School Diploma;
- Students may be exempted from this requirement at the request of their parents/guardians through an opt-out process (students 18 or older can opt themselves out);
- Students working towards other certificates (for example, the certificate of accomplishment or an Ontario Secondary School Certificate) are not required to complete the online learning requirement;
- The requirement can be met through the successful completion of 2 full online credits;
- Online learning credits towards the graduation requirement may be earned **at any time** during the student's secondary school program or through a “reach ahead” prior to September of their grade nine year;
- Credits earned in the following manner are ineligible: in-person learning, blended learning, flipped classrooms, and remote learning.

OPT OUT PROCESS: Families have the ability to opt out of the online learning requirement by completing a form in Parent Portal.

OPT OUT PROCESS:

Students have the ability to opt out of the online learning requirement by completing a form in Parent Portal OR by having your parent/caregiver email your guidance counsellor with the request OR by completing the form in the guidance office.

- Select summer school courses through Continuing Education section in MyBlueprint

English: Understanding Contemporary First Nations, Métis, and Inuit Voices, Grade 11

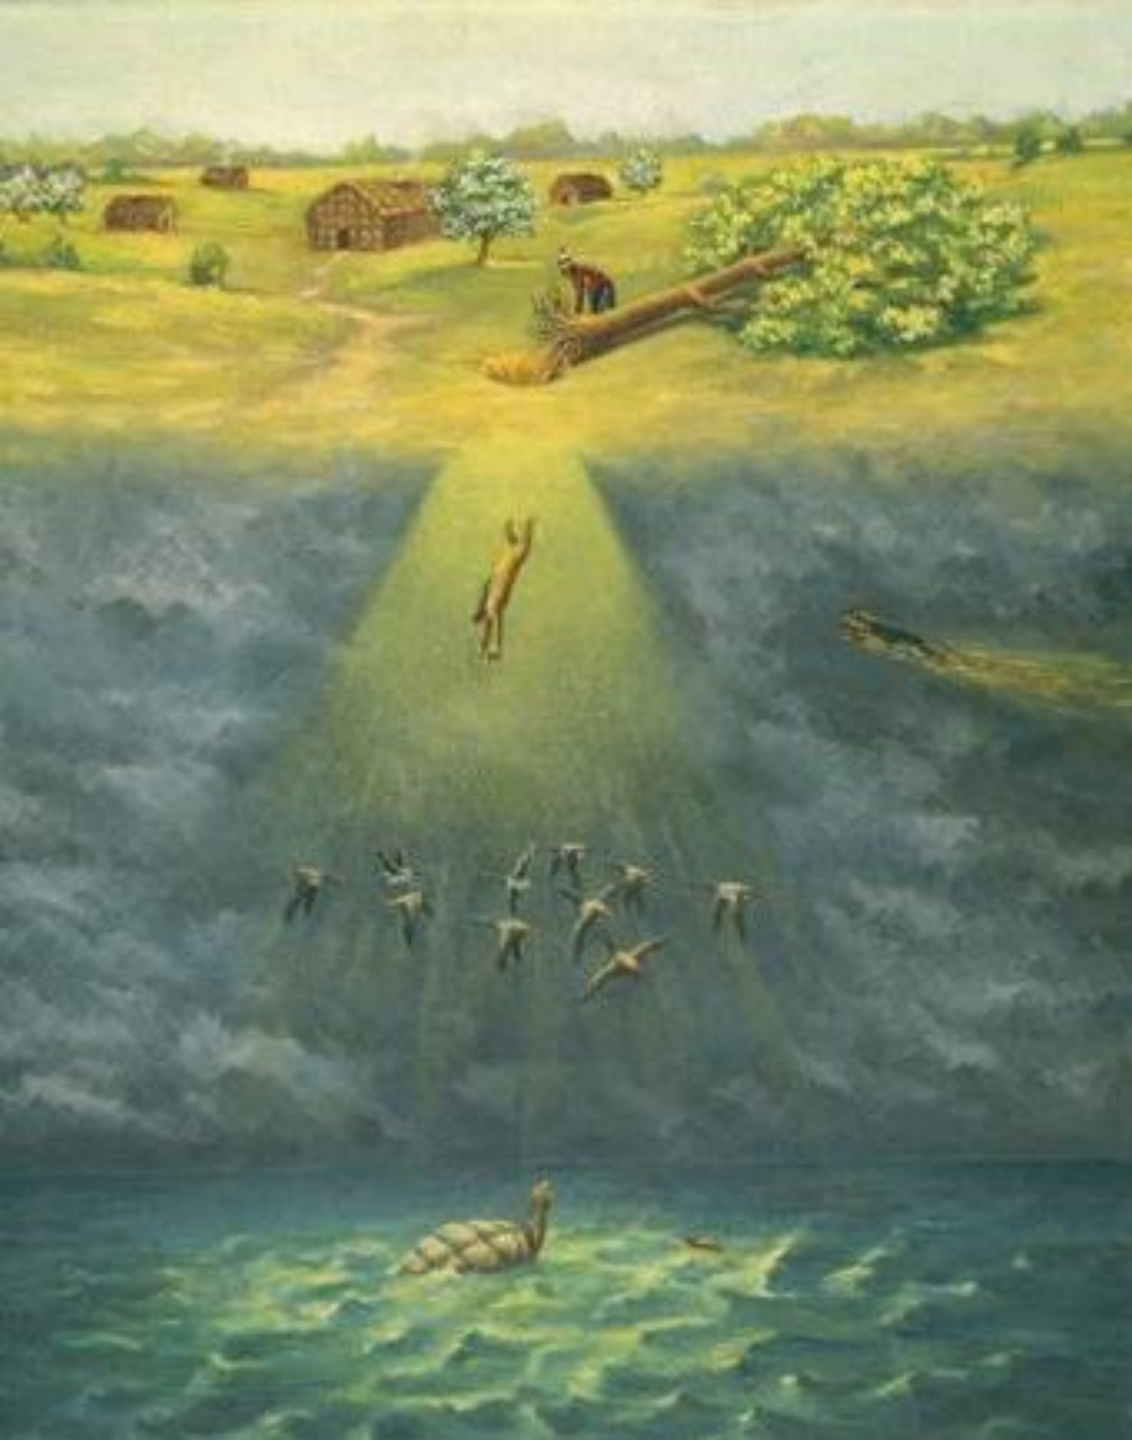

**NBE3 can be used to meet the Grade 11 English requirements*

Identities, relationships, and self-determination, sovereignty, and self-governance are key concepts in First Nations, Métis, and Inuit cultures.

It is critically important that students learn to appreciate the responsibility that creators on Turtle Island have to First Nations, Métis, and Inuit cultures, world views, and diversity through authentic and accurate representations of Indigenous lives

This course will be taught in consultation with Indigenous community partners from Six Nations of the Grand River and Mississaugas of the Credit, our territory's Host Nations.

Fill your Education Bundle with critical knowledge about treaty partner and Indigenous relationships, in the spirit of meaningful truth and reconciliation.

Why the move to NBE?

- Learn more about the host nations in your location.
- Learn about what it means to be a treaty partner.
- Learn to think about your role within a community.
- Learn a lot about oral communication especially through storytelling.
- Read a variety of texts from First Nations, Métis, and Inuit creators
- Create a variety of texts through print and media.
- Develop your critical thinking skills
- Prepares you for grade 12 English

Grade 11s

- English is the only mandatory subject to select for grade 12
- Select courses needed for graduation and program requirements
- Ensure Group 1, 2 and 3 categories are complete as well
- Do appropriate pathway research using MyBlueprint and make appropriate and informed decisions on schools and programs
- Only ONE study period may be selected for grade 12
- Make sure you have proper prerequisites for courses—a red flag means you can't take the course!
- Summer coop pre-placement work starts in APRIL through the HUB; face to face sessions in May and June in the evening and coop starts in JULY—you **MUST** find your own placement!
- Select summer school courses through Continuing Education section in MyBlueprint

Grade 11s

- Do your post-secondary research for program requirements
 - Ontariocolleges.ca for College Diploma and some University Degree programs
 - Ontariouniversitiesinfo.ca for University Degree programs
 - Six 4U or 4M courses are needed for all University and some College programs
- Continue to take appropriate courses for SHSM or special program
 - Coop MUST be included in grade 11 or 12 to be eligible
- If you are unsuccessful on OSSLT, you will be placed in the OSSLC for grade 12 (one of your electives will be removed)
- Community Involvement Hours and elearning courses or opt out should be completed before grade 12
