Weekly Update for October 14, 2019

Gordon Price is a diverse school community filled with kindness, acceptance, potential and hope. Learning Together. We help using our kind words, helpful hands and caring hearts to make a difference.

The fall weather was great outside and good learning was happening in our classrooms. As a staff, we are very thankful for our students and their families. Our partnerships support student learning and well-being. Thank you for your generosity with our food drive.

Congratulations to our Cross Country Team for their fabulous efforts and commitment to training. You were excellent ambassadors of Gordon Price at this week's meet!

Today, we completed an Emergency Evacuation Drill. We have practiced our 3 Fire Drills and Emergency Evacuation Drill for the Fall. In the spring, we will repeat our practices.

Does your child have a medical condition that requires emergency medical attention? If you have received a plan of care form to update, please return it to school.

Positive School Culture and Well-being: Throughout the school day, we have brain breaks after our nutrition breaks. It promotes mindfulness and self-regulation as students begin their learning periods.

Nutrition Program: Everyday, we have healthy snacks (yogurt tubes, dry cereal, fruit or vegetables) for our students. Tastebuds Hamilton supports our program and funding is provided by Ministry of Children, Community, and Social Services.
