Weekly Update for November 9, 2020

Gordon Price is a diverse school community filled with kindness, acceptance, potential and hope. Learning Together. We help using our kind words, helpful hands and caring hearts to make a difference.

This past week, students and staff began their new placements due to re-organization. I want to thank everyone for their support, assistance and understanding of our staffing and organization changes. As a school community, we continue to follow the Enhanced Public Health Measures including wearing masks, hand hygiene, physical distancing, and staying with student cohorts. All students and staff are expected to complete the daily screening tool.

Last week, our nutrition program began with students receiving an apple and/or cheese string at second break. We will continue our modified schedule while adhering to Public Health guidelines.

Remembrance Day: Our students and staff will honour the past and present armed forces members for their bravery, courage and service.

Mrs. Sherriff and Mrs. Erben have been updating family contact information in our student information system. Please call the school if your information changes.
