## Weekly Update for February 8, 2021

School is opening! After 5 weeks of Remote Learning, we look forward welcoming our students and staff back to school on Monday February 8<sup>th</sup>. I appreciate everyone's work to support the well-being and learning of our students. Now let's stay healthy and continue to learn!

### Move to In-Person/Remote Learning

**Here is the direction about students moving to Remote or In-person Learning:**

- Students who were learning in person before January's fully remote learning period will **return to in-person** learning Monday, February 8.
- **If students were loaned a device for remote learning, they must return this device when they return to school.**
- Students switching from **in-person to remote** learning will be contacted by an educator on Monday, February 8 to begin the transfer to the Remote Learning Program.
- Families asking to move their child from the **Remote Learning Program to in-person** learning can continue to plan for a February 25 transition. We will share more details on this soon.
