September 3, 2020

Dear families,

We are excited about welcoming back students – in person and through remote learning – to the 2020-21 school year. The pandemic has brought many changes to our school and its families, but I know that we can rise to the occasion if we work together.

Thank you for keeping up with the communications coming from HWDSB, and for completing important forms and surveys as required.

We are taking many actions to prevent COVID-19 at our school. You will notice that safety is guiding our programming choices. Here are some of the important points to remember:

### **Attestation**

Before a student can enter a school, we require that their family completes an attestation that they have read, understood, and will abide by expectations. Find this on the Parent Portal or on the HWDSB Website [www.hwdsb.on.ca](http://www.hwdsb.on.ca), Click School Reopening, Choose the Covid-19 Resources tab, Choose the Student Screening-Translated Documents tab, click the Return to School Attestation Form. Please email or call the office to arrange drop-off.

### **Daily COVID-19 Screening**

HWDSB COVID-19 Student Screening Checklist is to be completed daily before arriving at school. The checklist is found on the Parent Portal as well as on the HWDSB website. If you answered YES to any of the screening questions, or if you refuse to answer the questions, the student has failed the screening and must not attend school. The family should contact Public Health (905) 974-9848 or their family doctor for testing. Please contact the school using SafeArrival to report the absence. If the student is tested for COVID-19, your school would appreciate knowing the outcome of that test.

### **Staggered start details**

As you know, we will be opening our school with a staggered start timeline. This means that not all students will begin on the same day. Please see the chart below, note which group your child falls into, and reach out if you have more questions:

## New routines and protocols

School operations are changing significantly to ensure that we can provide a safe learning environment for students. We are finishing school-specific protocols and expect to post these to our website in the days ahead. These will cover everything from parking lots, classroom set up, nutrition breaks, mandatory masks for students and more.

## Water Bottles

Drinking fountains in all schools will be bagged and not used. Please be sure to send your child with a reusable water bottle so they stay hydrated, in addition to their non-medical mask.

## Visiting Schools

This year, our school must significantly limit or even prohibit visitors to school, including parents, to support a safe and healthy learning environment. We ask families to call or email our school if they need to supply information or contact a staff member. Also, it is strongly recommended that parents do not drop off items during the school day.

## Junior Kindergarten Orientation

Kindergarten Orientation has been booked for Thursday, September 10<sup>th</sup> and Friday, September 11<sup>th</sup>. All families have been contacted with a date and time. We look forward to welcoming our new Kinders to Green Acres School!
