

Parent Council – Meet the Members!

Michelle Toner (co-chair)

Parent to students in grades 4 and 2

I am an event marketing professional by day, but my true passion is my family. I love staying active, all sports, travelling, reading, gardening, and dinner out with friends. Community is so important to me, and I am looking forward to being part of the school council.

Linda Van Pelt (co-chair)

Parent to students in grades 3 and 7

I love reading, baking, art and sharing the benefits of meditation and mindfulness. While my background is in photography, I have been studying the mind, the brain, and the effects of meditation on mental health for some time now. I hope to have volunteer opportunities at the school soon to share my interests with the students and staff.

Pam Crichton (Secretary & Communication)

Parent to students in grades 2 and 4.

I'm obsessed with a good chai latte and watching the sunset. I take way too many selfies with my littles and am an eternal optimist. A former high school teacher, I now spend my days as a professional portrait photographer. I love the community we live in and enjoy being involved in whatever capacity I can, which is why I'm part of the School Council. I'm looking forward to the year ahead, and I am here to represent parents and help make a difference in our school.

Karen Brown (Secretary & Communication)

Parent to students in grades 1,3,5 & 7

I am a primary teacher in Caledonia and a mom to 4 active kids. I love hiking with my dog and friends in the conservation areas, gardening, reading and listening to podcasts. I love to learn, work with kids, and serve and connect others in the community.

Kristin Weber (Home & School Rep)

Parent to students in grades 7 and 5.

Currently, I work as an Educational Assistant in the HWDSB and love it! I enjoy scrapbooking, baking, and the occasional competitive family game night. As Home and School Chair, I am looking forward to the time we can have in-person events and meet one another face to face!

Nicole Watt (parent member)

Parent to students in grade 3 and SK

An avid participant in sports and recreation who loves the environment and will talk to anyone who will listen. “If you aren’t laughing...what’s it all for”. Available for in-school volunteering.

Ewa Poon (parent member)

Parent to students in SK, grade 2 and grade 3.

I enjoy cooking, being outdoors with my little ones, and working out before my family wakes up. My day passion is working with numbers. I am excited about in-school volunteer opportunities.

Kelley Bristow (parent member)

Parent to a student in SK

I am honoured to be a firefighter and full-time mama bear! We moved to Greenville 3 years ago, and we have found our forever home and community! I love the outdoors, gardening, and spending time with my 5 yr old who is in SK. I would be very interested in volunteering in classes, either reading to or with little readers.

Sheryl Heddle-Kafka (parent member)

Parent of students in grade 7

I enjoy going on walks and hikes and hanging out with my goats. I love spending time with my family when we find something everyone enjoys, lol.

Donna Gerritsen (parent member)

Parent of students in grades 2 & 5 at Millgrove and grade 7 at Greenville.

I love everything to do with music and books and above all my family and friends. Mud runs and Zumba are my current obsessions, lol. Really looking forward to being able to volunteer in person wherever I may be needed:)

Katherine Hamstra (parent member)

Parent of student in JK

Hi, my name is Katherine Hamstra. My husband, Jesse, and I have three kids: Judah, who is four years old in JK, Sarah, who is two years old, and Joshua, who is eight months old. I am currently on maternity leave. I attended Greenville as a child. I enjoyed living in this community as a child and still do!

Megan Wiggins (Parent Member)

Parent to a student in grade 8

I am a full-time RECE Supervisor at a childcare facility in Ancaster. Seasonally, I also work in a garden centre in Lynden. I enjoy reading, crocheting, going on nature walks and spending time with my family.

I have been a part of the Parent Council and H&S at Greensville and SVS for 11 years. I am looking forward to this year, as sadly, it will be my last as a parent member. I will volunteer any time work permits.

Kathy Nuttall (parent member)

Parent to a student in Grade 2

I am a working mom who is passionate about my family and serving our community. I love spending my downtime reading, hiking our local trails, playing board games with my family and occasionally dabbling in graphic design as a hobby. I can be available for some in-school volunteering.

Anne Campbell (community rep.)

Anne's family has been involved with Greenville in one way or another for decades. She is an invaluable volunteer and the council can't wait for her to be back in the school baking cookies and helping with, well, everything!
