Dear Families,

Well, we made it...another school year behind us! It wasn't without its challenges but I'd like to think we've come out the other side better for it.

I have so enjoyed these last 5 months and look forward to starting up with families in September.

Enjoy the summer holidays – be safe and stay healthy!

In Service,

Jennifer Miscas

Principal

2022/2023 Class Placements

HWDSB is moving to a centralized procedure of sharing class placements during the last week of August, via the Parent Portal. Families should have received a message from the Board about this upcoming change. At the school level, we spend a lot of time organizing class lists and schedules to ensure students are placed well. We consider many factors and want the best for your child(ren). Thank you for entrusting us with these important decisions.

2022/2022 Staffing Changes

As we are still working through staffing at this time, an updated list will be shared with families in August. However, for those staff

Upcoming Events

Ms. J. Hannon – FDK @ Central Elementary

Ms. A. Szewczyk – Junior French LTO Complete

Mr. M. McAllister – Grade 8 LTO Complete

Ms. K. Risidore – EA Position @ Lawfield Elementary

Play Structure Update

I have some good news and some not so good news...The play structure is complete – wood chips were delivered yesterday, which was the last outstanding item! We also had the Buddy Bench from Spencer Valley brought over last week. It has been secured on our back playground, near some shade and facing the new play structure. Unfortunately, we cannot open the structure until the asphalt around the structure is made safe. A plan is in place; however, it won't be completed in time for students to use it during this school year. Once the paving is done, the grass will be cut, the long-jump pit will be raked and the area will be fully opened for families. This potentially could happen over the summer months. I'm as eager as ever to get this project finished. My sights are now set for September. Students will be trained on the equipment so that they are kept safe during their outdoor play time.
