Dear Families,

Happy New Year! I'm hoping 2023 has started out well for all of you. In this post, I'll revisit a few things that helped us finish off 2022 strong, as well as share a few new activities and events from the past month.

In Service,

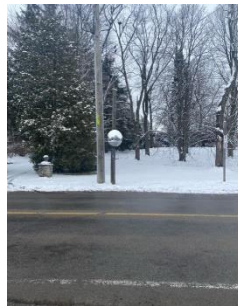

Jennifer Miscas

Principal

Traffic Mirror

With the help from School Council and community members, a traffic mirror has been installed on Harvest Road, across from the bus loop entrance. The increases driver visibility and ultimately students who walk or ride to school. As the removal of shrubs in front of the sign is being considered; however, the property line has to be confirmed beforehand. Finally, a traffic study will take place in the Spring, by the City. Further action will depend on the results of that audit. HWDSB Facilities Department is working in tandem with the City to address community concerns. Thank you for your collective efforts to improve student safety.

other has directly mirror aids well, stop

Upcoming Events

February 1

Black History Month Begins

February 3

Chocolate Fundraiser
Consent Form Due

February 6

School Council @6:30 PM

February 16

Shelter in Place Drill

February 17

Term 1 Report Cards Home

February 21

Family Day – Holiday

February 24

Grad Photos – Grade 8

Interior Painting

We have started the first phase of painting. Doors and trim are a charcoal grey and add so much to the space already. We are working on securing a company to paint the walls next. Fingers crossed we can begin that project during March Break.

Holiday Concerts

Thank you to all of our families who joined us in December for one of our holiday concerts. So much work was put into each performance. Choir and band members made us proud, and Mrs. Sanders made sure everyone had a chance to shine.

Library Shelving

School Council generously funded some new furniture for our Library. With the help of Mrs. Kolios, our shelves are up and displaying some of our favourite books.

Holiday Hampers

A warm thank you is extended to our community for rallying together and sharing some holiday spirit with those less fortunate. Greenville is a community that cares and supports one another! The generosity demonstrated by our families was truly inspiring, thank you!

First Term Report Cards

When students bring home their report cards on Feb. 17th, families are encouraged to review progress together. There is a bottom portion of the report that asks for caregiver and student feedback. Please sign and return that portion to your child's teacher as soon as possible. It not only confirms that the report has been received, but provides families an opportunity to set goals together.

Staffing Updates:

*In December, we gained a new Head Caretaker, **Mr. Stirling**. And at the beginning of January, we welcomed **Mr. Kingston** as Assistant Caretaker. We are grateful for their efforts to keep our school safe and healthy.

*This week we are adding to our Educational Assistant team. **Ms. Neves** will be with us in an LTO position until the end of the school year. A permanent hire will happen during the Spring staffing process.
