Dear Families,

As we head into our final two months of the school year, students and staff are gearing up for many end-of-year events. It's an exciting time of the year!

We invite our families to participate in as many school-community events as possible. There will be many to choose from so we hope to appeal to a variety of interests.

There are fewer items to report on in this edition – April was more of a nesting time for our Hawks 🦅

In Service,

Jennifer Miscas

Principal

---

## School Council Meeting

On April 3rd, School Council welcomed Councilor Wilson, Trustee Tut and Superintendent Macpherson to their monthly meeting. The community had an opportunity to meet Ward 13 representatives and begin a collaborative conversation about road safety. Council Minutes have been posted to the Greenville School webpage.

## Reading Release

Staff from each division (Pr, Jr & Int) were released this month to work with one of our Board curriculum consultants on reading readiness and recovery. Student programming, resources, instruction and assessment were the focus of discussion and learning.

## Scoreboard

A scoreboard for our gymnasium is currently being sourced. A location has been finalized and electrical work is scheduled. We hope to have installation complete before the end of the school year. Stay tuned!

## Foyer Banners

Two new editions to our front entrance will be in place shortly. We hope to create a welcoming space for all at Greenville!

---

## Upcoming Events
