Dear Families,

May was a very busy month for our Hawks! So much happening in and outside of our classrooms. I regularly visit students throughout the day and I'm always so pleased to see students engaged in their learning and excited to be at school. I thank you for the support you have offered staff throughout the year, partnering with us to make the school year a successful one for all.

This will be the last newsletter for the year. I look forward to sharing more with families in September to kick off the 2023/2024 school year. I wish families a wonderful break and I will continue to communicate with families via Messenger in June.

In Service,

Jennifer Miscas

Principal

## Mental Health Week – May 1-7

Students participated in various activities to promote mental health and well-being. A special thank you to Mrs. Rozon, Mrs. Kosempel and our Intermediates, for organizing a fun-filled week.

- **Move It Monday** - students were encouraged to walk, ride or roll to school.
  - **Try-It Tuesday** – students and staff participated in a whole school mindful moment.
  - **What We Eat Wednesday** - during NB, students "got caught" eating their veggies for a photo collage.
- 

## Upcoming Events

### June 1

Vaccination Clinic #2 – Grades 7 & 8

Freezie Thursday! \$1- Half \$2- Whole

### June 2

PA Day

### June 5

EQAO Begins – Grade 6

---

- **Tag The 'Top Thursday** – classes were taken out to the hardtop to chalk some positive messages/images.
- **Fun Friday** – Intermediate students organized centres with equipment for nutrition breaks to lead interested students in various movement games.

### Open House

Thank you to all the families who attended our 2<sup>nd</sup> Annual Open House. It was nice to see our community gather and celebrate the accomplishments of students this year.

### Parent Presentation

School Council hosted 2 parent presentation evenings in May with Dr. Kyla Baird. She presented on body image and our relationship with food. The information shared was well-received.

### New Kindergarten Shade Umbrella

We finally had our new shade umbrella installed in our kinder play area. This has been a welcome addition during hot days! This is a permanent fixture; however, the canopy will be stored and serviced during the winter months.

### Staffing Update

All staff changes will be shared with families prior to the end of the school year. Please note, class placements will be available to families at the end of August, via the Parent Portal. This is a board-wide practice so all school's follow the same timelines.

***Have a great day!***
