## Happy Summer Holidays!

### Sept 2 – First Day of School

Dear Families,

As we bid farewell to the month of May, we enter June with growing anticipation and excitement. This will be the last issue of The Eyrie for the 2024/2025 school year – hard to believe!

It's been so nice seeing families out and about supporting school events and making plans for year-end activities. Thank you for your collective efforts to make this school year a successful and memorable one.

With a month to go, let's continue to rally around students and help them cross the finish line with a sense of accomplishment and joy!

In Service,

Ms. J. Miskas

Principal

### Office Updates:

- Educational Assistant, Mr. Liberty continues to cover Mrs. Kott's absence until the end of June. We will welcome her back in September. At this time, both Mr. Liberty and Mrs. Alon Jino remain in temporary EA positions with us.
- Miss Milheirao (Grade 3/4) and Mrs. Conceicao (Grade 4/5) will complete their temporary teaching assignments with us at the end of June. We thank them for the care they've shown students and their efforts to engage learners inside and

outside of the classroom. We wish them both well as they pursue further employment within HWDSB.

- After a very full and rich career in education, Mrs. O'Connell (Grade 2) will be retiring at the end of June! She has been at Greenville for many years and has built meaningful relationships with many of our families and community members. I know her students and colleagues will miss her. We wish her a happy and healthy retirement!

**Final Reports:** Student Report Cards will be sent home on June 25<sup>th</sup>. Please note, all class placements (for next year) are relayed via the Parent Portal during the **last week of August**. Teachers will not be sharing that information beforehand as there is always the potential for staffing changes over the summer. An updated staff list and school organization will be shared with families when I return from summer holidays.

**Library Books:** The last day for students to sign-out a library book is June 4<sup>th</sup>. After this date, please be sure that school books are returned promptly. It's important to inform your child's teacher of any book damage so that it can be addressed. As well, if a book has gone missing, we ask that families cover the cost of replacing the item.

**Grade 5 Millgrove Transition Day:** This annual event allows grade 5 students from both Millgrove and Greenville to meet in person and engage in team-building activities. Students have already interacted as pen-pals throughout the year; however, this will be the first occasion for them to meet. The morning will be spent at Greenville then all students will travel back to Millgrove for the afternoon. This year, there will be a full-day of activities for students to help them build new friendships and lay the ground work for sharing grade 6 classes next year.

**Concert Band Update:** Earlier this month, our amazing student concert band, under the stellar leadership of Ms. Sanders, won SILVER at this year's national competition. What a huge accomplishment – congratulations! We are so proud of the band's success and very grateful for Ms. Sanders' expertise, guidance and dedication.
