Attention grade 6-8 students! Do you like to run? Do you like to be outside? Then you are a perfect candidate for the Guy Brown Adventure Running Squad!

Adventure running is a combination of cross-country and orienteering where competitors will navigate a running course through fields and forests with the use of a map and compass. The event will be held on Wednesday April 24th at Christie Lake Conservation.

If you are interested in participating as an individual or create a team of 2-3 please register in room 216 (Schroeder's class) during 1st or 2nd nutrition break today!
