RE: Class Reorganization

Dear Parents/Guardians:

This school year has presented unique challenges to Ontario schools, including new options for students to learn in-person or remotely. Each fall, HWDSB reviews elementary student enrolment in schools, and reorganizes staffing if actual enrolment differs from spring projections. It is normal for student enrolment to fluctuate a little. This year, the fall reorganization is more widespread due to the in-person/remote option for students, as well as the ongoing need to meet provincial class size requirements.

Specifically, at Guy Brown, the reorganization will impact nearly every single class as we have to move students to balance numbers. Every effort is being made to reduce the number of changes for our students. If your child’s class placement is changing, you will be notified by the end of this week. If you child’s class placement is staying status quo, you will not be notified.

**At this time no requests for class preferences or teachers are being accepted.** Teachers are working together to create placements based on the strengths and needs of all students.

Our current organization includes 4 FKD classes, 11 English and 13 French Immersion = 28 classes
