Camp Power – For students **currently in Year 2 Kindergarten and Grade 1** – The goal of this camp is to support students in continuing to develop their **early reading and math skills** throughout the summer.

Camp CLIMB (Create Learn Inspire Motivate Believe) – For students **currently in Grade 2 to Grade 6** – The goal of this camp is to continue to build **literacy and math skills** throughout the summer.

HWDSB teachers will lead engaging activities and facilitate inquiry, which build on specific skills and target the individual needs of all learners.

8:30 AM – 12:00 PM

Scheduled site visits will occur on August 4th

LEARNERS WILL NEED:

A backpack with a drink and snack

A hat for going outside each day

Please note we are collecting limited and specific information (child's full name, grade, birth date, and home school in June) for the purpose of registering your child. The information in PowerSchool, the regular registration system for each student's home school, will share additional necessary information with the Summer Learning Administrator, Coordinators, Site Leads, and Teachers so that we may provide a safe and personalized experience for your child.

Summer Learning staff will help parents to stay connected through various parent engagement opportunities happening throughout the summer. Photographs and videos of the learning program will be captured and shared with Trustees, Superintendents, and funding providers of this incredible learning opportunity. We ask for your consent before sharing images/audio of your child online; please see the consent portion of this form.

ATTENDANCE: To gain the most out of the experience, regular attendance is requested and will be recorded for Board and Ministry records.
