Reinforcing Indigenous Educational Wellness and Reconciliation

Our collective commitment to Indigenous Educational Wellness and Reconciliation is captured in some of these classroom goals:

- Learning Indigenous Stories, not just facts and timelines
- Improve understanding culture, the land, and relationships
- Writing a land acknowledgement that helps us to better understand the importance of recognizing Indigenous peoples and their connection to the land
- Learning that Indigenous peoples are not one group, but different communities
- Learn stories through Indigenous art
- Improve stewardship of the land
- Engage in deeper learning about the Wampum Belt

At Helen Detwiler, we will honour our commitment to Truth and Reconciliation by nurturing respectful and reciprocal relationships among Indigenous Peoples and Treaty Partners, and by cultivating Intergenerational healing and wellness in a restorative education system.

We look forward to hearing more about how our students are working towards their goals and sharing their learning with the school community.

Parking By-Laws

This is a reminder that there is no stopping from 6am-7pm on the school side of Brigade Dr., from Bonaparte Way to Bastille St. These by-laws are in place to keep pedestrians and drivers safe. By-law officers will be on-site throughout the year to ensure compliance. **Additionally, the staff parking lot is for staff only – this is not a space for student drop off or pick up.** We appreciate your support in this as we prioritize the safety of our students on a daily basis.

Kiss 'N Ride

The Kindergarten loop is a no-stopping zone, as indicated by the City of Hamilton bylaw signs posted. When dropping off, students must immediately exit the vehicle safely and *independently*. At the end of the day, parents must park in the lot or on the opposite side of the street to wait for students.

Volunteering in 2025-2026 school year

All applicants looking to volunteer are now required to present a Vulnerable Sector Screening **specific to HWDSB** before they will be able to begin their volunteer activities. The original copy of this will be kept on file in the office. A new VSC is required every 5 years. A letter to be presented to the respective police department can be obtained through the office.

At-Home Connection

Is your child reading at home every night? Consider setting aside 20-30 minutes of shared reading time. Daily reading is a direct pathway to academic success in all subject areas, for all students.
