What is an SHSM?

- **SHSM stands for “Specialist High Skills Major”**
- **Henderson offers 5 SHSMs :**
 1. **Construction**
 2. **Information and Communication Technology**
 3. **Justice, Community Safety and Emergency Services**
 4. **Manufacturing**
 5. **Transportation**
- **An SHSM offers students a chance to ‘specialize’ and try out a potential career and earn a **RED SEAL** on your diploma.**

WHAT DOES THAT MEAN??

- It means you are taking courses that fall under a **career pathway umbrella**....
- Nothing changes on your timetable – it's part of your course selections!
- Available in all 4 course types– **workplace, apprenticeship, college and university!**
- Requirements include (completed over grades 11 – 12):
 - 4 Major course credits (part of your selection)
 - 1 “other” credit – science/business/extra co-op
 - At least 2 co-op credits
 - Industry certification/training – **FREE! Great on your resume!**
