Re: School Reorganization

Parents and Guardians of Students in Class JSKD (Ms. Yavorska & Ms. Ivanovics),

For the start of the 2019/2020 School Year, because of a large increase in numbers of Kindergarten students that had registered prior to the end of June, Highview School added a fourth kindergarten classroom staffed temporarily by Occasional Staff Members. This class has been staffed by Ms. Yavorska and Ms. Ivanovics who have done a great job of getting all of our students off to a great start to their JK or SK year. Their work at Highview has been greatly appreciated!

At the beginning of each school year, a reorganization process occurs across the system to address increases and decreases of students within schools, which then results in increases and decreases of staff within schools. Because of this, on September 30th, or shortly after, it is likely that permanent staff will be assigned to class JSKD at Highview at which time Ms. Yavorska and Ms. Ivanovics will return to doing occasional work filling in at various schools.

As a school, we will do all we can to ensure that all of the students within this classroom are supported through this transition, and look forward to continued success for all of our students once this change of staff has occurred. At home, we ask that families to also begin to prepare their children for this transition which is forthcoming for the end of September.

If you have any questions or concerns, please feel free to contact the school.

Thanks,

Mr. Pellizzari (Principal) and Mr. McLean (Vice-Principal)
