  - Going to see if staff would be interested in this pen.
  - Possibly have a pilot - purchase 1 pen to see how it goes.
    - Be able to see if teachers will utilize this tool.
- Hands on learning material
  - Do not need manipulative
- Mrs.M would like 2 basketball nets or 10 basketball's \$300.00 plus tax and shipping
- Listening Centre- \$150.00

Cathie would like council to ensure that we are using the appropriate categories when we are determining where to spend our funds – i.e. Angel, Flex, Activities, and Classroom Support.

- \$3600 from chocolate sales to go to Technology- this was stipulated to families when we started the chocolate bar fundraiser that proceeds will be going towards technology purchase.

Need to ensure that we have \$1200.00 to cover initial cost of agendas. Can use the \$556.63 from Nevada Acct?

Cathie is going to talk to teachers to see what they would like. She will then put a list together and see what the board will cover off the list – and possibly have council cover some of the costs.

Google tablets, Pen scribes, and laptops.

We would like to ensure that all class are equitable with the same technologies.

### 3. By-law reviews

- Conflict resolutions \*\* Ira presented a write up from a variety of sources.
  - Need to be clear and precise
  - School board states council needs to have one
  - Let Ira know of any questions or concerns
  - Respect working policy needs to reflect each other – Can look this policy up on the board's website.
- Disciplinary Action
  - You would need to have 50% plus 1 to have voted to go through if notice has been given.
  - You would need to have missed consecutive meetings.
  - Need to approach this tactfully – ensure that the member knows they may have disciplinary action taken against them. – Explain what the issue is and possibly try to come to a conclusion without the need of a board vote.
  - Need people's duties to be clearly outline – this will avoid any confusion that any members may have.
  - Need fair warning
  - Ira has put an outline together – this ensures Holbrook's future council will be left in a good place.
