Leigh-Anne

Barb and Leighann proposed to have a booth at the Bazaar in 2019 for the welwood ccentre, in order to raise money for the wellwood centre (community organization). Barb and Leigh- Anne to spearhead this, and it would start early in the year in 2019- where they would start a school group (either during or after school) that kids can join to do art and make crafts that would be sold at the Bazaar in November 2019.

Idea approved- need to have teacher support for this. Melanie to bring forward to the teachers- group will reconvene in February to determine if this can run, get volunteers, and make a plan for doing the crafts.

Recycling fundraiser brought forward, great idea but we can not able to implement it at this time due to the fact that we don't have storage space for students to bring in their textiles.

Other:

1. Snuggle up and read and readathon day

Monica to lead this fundraiser and initiative this year. Monica will connect with Melanie to make a plan for the snuggle up a read and readathon, date to have the assembly (Jan 31 when there is already an assembly scheduled?) and the readathon dates, and how to distribute prizes and what kind of prizes, as well as what will happen at the kick off assembly. How to motivate kids to read? One idea was to have a class ice cream party? How to encourage teachers to talk with kids about the fundraiser- DEAR time in class- after nutrition break.
