Snow/Snowball Letter – 1st Warning

Dear \_\_\_\_\_:

We have a policy in place that students are not to throw snow/snowballs on school property or on the way to and from school. All classes have been so informed and when appropriate, they have been reminded of the rule. The students are well aware of the dangers that snow throwing may cause.

Students were informed that if they threw snow or a snowball, they were to be sent to the office and they would receive a letter of warning to be signed by a parent/guardian. If this occurred a second time, the student would serve an in-school suspension. We are very hopeful that a third occurrence would never happen, but if it should, a home suspension would then be issued.

Today, \_\_\_\_\_ was throwing snow/snowballs. He/she is aware of the dangers of his/her actions and that she/he will serve an in-school suspension the next time he/she throws snow/snowballs.

Please review our expectations with your child. We would like you to sign this letter and return it to the office by the next school day.

Thank you for your co-operation.

Sincerely,

Mr. P. Petruccelli  
Principal
