Summer Learning staff will help parents to stay connected through various parent engagement opportunities happening throughout the summer. Photographs and videos of the learning program will be captured and shared with Trustees, Superintendents, and funding providers of this incredible learning opportunity. We ask for your consent before sharing images/audio of your child online; please see the consent portion of this form.

**ATTENDANCE:** To gain the most out of the experience, regular attendance is requested and will be recorded for Board and Ministry records.
