Dear Parent/Guardians,

My sincere gratitude to our Janet Lee community for working in partnership with the school team as we continue to prioritize student learning and wellbeing during this challenging time.

A huge thank you to the school team for all their efforts supporting a smooth transition to remote learning. While we look forward to being back together at school, when it is safe to do so, our team is committed to continuing to support students remotely. We know that remote learning can be challenging for families. If you are having challenges, please connect with your child's teacher. Together, we can problem solve as needed.

Below are some updates related to school operations during remote learning.

ATTENDANCE

If your child is going to be absent from remote learning, we would ask that you continue to enter your child's absence in Safe Arrival. If your child is going to be absent from synchronous learning, but is planning to participate asynchronously, please communicate with your child's teacher.

SCHOOL CONTACT

As you know, the school is currently closed to all teaching staff and students while teaching and learning are happening remotely. Mrs. Harte and I are also working remotely but come to the school on a limited basis, as needed. If you would like to get in contact with someone from the school, you can call the school phone number and leave a message. Mrs. Harte is continuing to check messages on a daily basis. Alternatively, you can send an email to janetlee@hwdsb.on.ca. This email is checked daily.

SCHOOL COUNCIL PRESENTATION

Janet Lee School Council, would like to invite families to a parent/guardian engagement opportunity. On **Monday May 31, from 7:00– 8:00 pm**, author, speaker, change and positivity expert Jane Enright will be offering a virtual presentation for our staff and school community! Watch for a flyer coming your way in the next few weeks with more information and details on how to register!

Stay safe and healthy!
