Dear Families,

This is a letter to inform you that Lake Avenue elementary had a brief evacuation today.

A natural gas odour was detected within the building. The fire alarm was activated, and staff assisted students to evacuate for a short time to a safe location outside and away from the school.

Hamilton Fire Department responded quickly and attended. The school was deemed safe to re-enter and students and staff returned to the building. The alarm was pulled as a precaution.

I would like to thank staff and students for their prompt evacuation and for following our safety protocols.

If you have any questions, please contact the school at 905.561.0402.

Thank you for your understanding.

Sincerely,

Sarah Goodman
Principal
