

The Grocery Foundation is running its annual Toonies for Tummies campaign in Metro, Food Basics, and Longo's grocery stores.

In Hamilton, 14 stores participate to raise money, which stays in our city and supports our local students through Tastebuds nutrition programs in schools. If you're going through the check-out between February 1st and 21st, and you're asked for a \$2 donation, it will help our schools purchase healthy food for their breakfast and snack programs.

Last year's campaign raised \$32,425 in Hamilton!
