June 2019 Volume 10

From the Administrators' Office

Thank you for a wonderful and productive year. A school cannot run effectively without many people working together for the benefit of our students. We can't thank everyone enough for your endless hours of volunteering, chaperoning, reading, organizing, donating and doing whatever was necessary to support students—both at home and at school. Special thanks to our School Council and Nutrition program volunteers who, as usual, went above and beyond the call of duty to provide whatever was necessary to add to our students' already rich school experience.

That experience could not occur without the endless energy, skills and devotion of the Lawfield staff. Thanks and well done to an incredible group of professionals!

We hope you have a very happy, healthy and safe summer vacation! See you in September!

Mme Lacroix and Ms. Miscas
