Inclement Weather and School Closure

Severe Weather Conditions – Severe weather across the District or in any part of the District may result in the cancellation of transportation services to the entire District. If the weather is severe enough, the General Manager of the Hamilton-Wentworth Student Transportation System will advise the Director or Designate of the road conditions and weather conditions. The Director of Education or Designate will then decide whether or not to cancel all school and board administrative operations. If the conditions are determined to be unsafe, The Director of Education or Designate will then inform Corporate Communications and the General Manager of Hamilton-Wentworth Student Transportation System of the cancellation of all school and board administrative operations. Corporate Communications will inform the community by contacting the media, the City of Hamilton, school-based child care providers and by posting cancellation information on the website and on a School Cancellation “Hotline”. The Director or Designate will make every effort to cancel all school and board administrative operations by 6:00 a.m.

PLEASE SUBSCRIBE TO LAWFIELD EMAIL

Due to Anti-Spam Legislation, schools cannot use email to communicate with parents unless you “opt in” through an on-line process. All parents are asked to go to the Lawfield website and click on “Subscribe” (or go directly to the link below). This will enable us to update you when new items are posted to our website. Helping us in this way will allow us to save hundreds of dollars in photocopying/paper charges that can then be redirected to purchases for classrooms (not to mention saving a few trees). You may “unsubscribe” at any time in the future. <http://www.hwdsb.on.ca/lawfield/subscribe>

Pediculosis/Head Lice

Lawfield follows our Board Policy regarding Pediculosis/Lice. This policy can be found on the board website at <http://www.hwdsb.on.ca/wp-content/uploads/2017/11/Pediculosis-Management-Procedure.pdf>

Key Procedures:

Parents/guardians of students identified with head lice will be notified by the school of that fact by letter (Letter of Notification of Suspected Head Lice), and will be required to seek treatment for the child. We will provide the parents/ guardians with a treatment information sheet (Facts of Lice).

Parents/guardians are required to complete the first application of an approved treatment prior to the student returning to school.

Parents/guardians are required to complete the Verification of Treatment form and return it to the school when the student returns following the first application of an approved treatment.

All parents/guardians of students in a class in which a student or students are found to have head lice will be sent a letter informing them of that fact. (Letter of Attention).

Lawfield may seek support from Bayshore Home Health to perform head lice checks and screen all students for head lice.

Based on the current medical research, it is essential that head lice be treated with two applications of an approved pediculocide seven days apart. As long as the treatment has been administered properly, the presence of nits does not necessarily indicate an active infestation.

Do you drive your child to school?

Please note that Lawfield School Parking Lot is for HWDSB and Umbrella Staff Only. Please use Lawfield Arena or street parking at school entry and dismissal times. Please respect our neighbours and do not block driveways or park in front of no parking signs as By-Law officers will be called on a regular basis. Also, please listen to our staff and volunteers directing traffic. Your compliance and cooperation will ensure the safety for all students and staff and will keep our neighbours happy.

Transportation Bus Students:

Sometimes there are delays with our buses due to road conditions, traffic issues or unforeseen breakdowns. Please be patient. Your child will be picked up.

Please visit hamiltonschoolbus.ca to view any and all delays or subscribe to the parent portal to receive notifications if the bus will be delayed 10 minutes or longer.
