Dear Families,

This is a letter to let you know that we had a situation today involving a student in distress.

At no time were students or staff at risk. Students were asked to stay inside their classrooms while the situation was de-escalated. The term "lockdown" was inappropriately used.

As administrators responded, the school operated as usual.

Due to our responsibility for student privacy, we are unable to share further details about the visit.

We share this information in case there are questions at home.

We want you to know that student safety is of the utmost importance at Lawfield. If you have any questions, please contact me through our school office.

Sincerely,

Chantal Lacroix  
Principal
