

HALLOWEEN PARTY!

With Halloween fast approaching, we have a few reminders for parents and students. Students are welcome to wear their costumes to school on Wednesday, October 31st.

- Please do not send costumes or make-up for students to apply at school. We do not have supervision or the facilities to assist with this. Students should come to school in costume if they are choosing to dress up.
- Students in JK–6 will be participating in a Halloween parade first thing in the morning. The parade will begin at 8:40 am and will run through the gym—parents are welcome to gather in the gym to watch as well!
- Masks can be worn during the parade as long as student’s visibility is not restricted. NO masks are to be worn outside for Nutrition Breaks, due to visibility concerns.
- NO weapons of any kind are to be sent to school (toy knives, guns, pitchforks, etc.)
- We encourage parents to not send students in “gory” or “bloody” costumes. The point of the day is to have fun and not to scare our younger students! Save those types of costumes for night-time trick-or-treating, please!
- In addition to the parade, teachers will be communicating information around any further individual classroom celebrations during this day, with families.
- If you are sending in treats, please ensure they are NUT FREE!
- Halloween is one of our “special days” and treats do NOT need to conform to ministry guidelines. That said, nutritious treats are gladly accepted!
