- Crackers
- Granola bars
- Canned fruit
- Canned salmon/ham

For over 30 years, staff and volunteers at Neighbour to Neighbour have been helping to meet the issue of food insecurity head on. What started as a tiny food bank has evolved into an indispensable part of this community's social fabric offering access to tutoring programs for children, community kitchen programs, utility subsidy programs, family counselling, emergency food access and a host of other interventions. Neighbour to Neighbour is empowering people with the tools and ideas that will help change their lives.
