

Dear Lisgar families,

With the upcoming holiday season, Lisgar is happy to support those in need within the Hamilton community. This year, we will have a Food Drive to support Mission Services starting on Wednesday, December 1st. Please send any non-perishable food items to Lisgar with your child. Classes will count how many food items are brought in and keep a tally. On December 15th, the class with the most donations will win a small prize! Thank you in advance for your donations!

We are also happy to support the Hamilton community by supporting the long-term care home, Macassa Lodge (location on Upper Sherman). The wonderful staff at Macassa Lodge do everything they can to try and meet their residents' daily needs, but donations are also very important and needed! Many residents have had a difficult couple of years of not seeing family and friends and many do not have family members to support them throughout the year. Lisgar students will be making cards and writing letters in class to send to the residents at Macassa Lodge. We are also asking for donations of items that could be given to residents during the holiday season who do not have family members to support them. The residents could use small items to support their everyday living and to lift their spirits. Below is a list of suggestions of items that could be donated. Please send any items to your child's classroom and they will be collected and donated to Macassa Lodge. They send a BIG thank you in advance, this will make a real difference!

Donation Suggestions for Macassa Lodge Residents:

They ask for no food donations due to dietary restrictions
