From the Principal's Desk...

We have been celebrating Black History month in February. One way our students honoured this theme was through artwork displayed in our front lobby. We had many submissions from plasticine figures, to sketches, to beads, and crochet. Yesterday we drew four winners for the art submissions. Congratulations to Lincoln, Sherren, Khola and Emily. Thank you to School Council for donating the prizes.

We held our first Virtual ROAR Assembly on Feb. 28 to recognize the winners for February which focused on acceptance. Thank you to Ms. Legere's class for hosting the assembly. It was a great success!

Please remember to subscribe to our school website and/or our NEW Instagram Account for important information and updates.

Sports Updates

Basketball

Our senior teams have started their seasons. Our students do a great job representing our school with their enthusiasm and sportsmanship. Junior teams will be starting their season after the March Break.

Intramurals

After March Break students will be able to participate in intramurals for basketball and checkers. We are looking forward to have these opportunities available again for our students.
