Scott Graham has been inspiring children for over three decades.

School Council

The next meeting will be held on Thursday, March 23rd at 6pm in the library. Scott Graham will be our guest at council! All parents/caregivers welcome. Please consider coming out to this School Council sponsored event.

Kindergarten Registration

Registration opened on-line for kindergarten registration on Monday, February 6, 2023. Children born in 2019 are eligible to enroll for JK starting in September. Students that are currently in JK do not have to re-register for SK. On the HWDSB website, click on "How to Register", then scroll down to 2023-24 Online Registration Link. You are also able to attach all required documents (proof of address, proof of age) to the registration. Should any additional information be required, the school will reach out to the families individually. Any families unable to attach their documents will also be contacted directly by the school.

The Great Big Crunch!

On Thursday March 9th, Lisgar will be participating in this Canada-wide movement of anti-silence in which all students, teachers and those passionate about food join in and crunch into apples to make noise for healthy school food! Apples are provided by Drummond Farms, located in Waterdown and are generously donated by First Ontario Credit Union. Ward 6 City Councilor Tom Jackson will be joining Mrs. Macnab to countdown the crunch!
