Student Course Selections 2019-2020

*Note: PLEASE CHOOSE YOUR COURSE SELECTIONS CAREFULLY!
The more effort you place in choosing courses, the more likely you will be provided with a suitable timetable. Next year, timetable changes may not be possible.*

If you achieved less than a level 2 (60%) in any of your compulsory courses it is strongly recommended that you discuss course pathways with your parents and guidance counsellor before you submit your option sheet. This will ensure that you are choosing courses that are appropriate for your post-secondary destination (college, workplace, university).
